EXAM INVIGILATOR

Hourly Rate- £8.80 National Living Wage

NUAST is a centre for Excellence in Science, Engineering and Computing/IT. We are a specialist academy teaching students aged 14-19 years old. Our aim is to ensure that young people who are passionate about Science, Computing or Engineering have opportunities to realise their maximum potential with us. The NUAST staff team is dedicated to ensuring that our strong and caring pastoral system encourages and supports our students to access the excellent specialised facilities and the unique opportunities available at NUAST to ensure their success.

You can help us support our students in this role. We are looking for flexible Invigilators who can supervise exams. We are a small team and you will be adaptable to support the students' needs, which may involve scribing or reading. Exams will take place between May and June and working hours can be negotiated. Invigilators will be required between 8.30am and 4.30 pm.

If you would like to be part of the NUAST team, please apply with an application form to jobs@nuast.org. Application forms are available from the school reception or NUAST.org.uk.

Closing date-19th March 2017
