

Dear Parents/Carers,

I hope that you are all keeping well.

As the end of term approaches I would like to take this opportunity to thank you for your support of the school and your children through what has been a difficult period due to COVID.

Students have remained positive throughout the term and have demonstrated both resilience and determination in the completion of work and their desire to catch up lost learning.

In order for us to prepare for the new term we have decided to make the first day of the new term in January an INSET day. On Monday the 4th January 2021 the school will only be open to teaching and support staff. Students should return to school on Tuesday 5th January.

Should your child be confirmed positive following testing during the first week of the Christmas break please email enquiries@nuast.org with your child's name, date of birth, date of first symptoms and date of test. We require this information in order to meet our obligations with 'track and trace'.

I wish you all a relaxing and restful Christmas break and look forward to working with you in the New Year.

Regards

Robert White
